MEMORANDUM FOR SEE DISTRIBUTION

FROM: OC-ALC/CC

SUBJECT: Tinker AFB Environmental Policy

1. At Tinker AFB, protecting the environment is a high priority and a major factor in decision-making. We are dedicated to continued improvement of our processes to prevent and reduce waste generation. We will maintain compliance with environmental laws at all times while we strive to reduce pollution at the source of generation. In all of our activities, we will seek to:

- a. Promote the conservation and sustainable use of materials.
- b. Minimize environmental pollution and waste.
- c. Build environmental concerns into all policies, programs, and missions.
- d. Integrate environmental information into all levels of management.
- e. Achieve continuous improvements in environmental performance over and above regulatory and legislative requirements.
- f. Work in partnership with all stakeholders to promote pollution prevention.
- g. Clean up environmental damage from our past activities.

2. In keeping with this commitment, we will work to continuously improve the effectiveness of our environmental stewardship by regularly monitoring our performance and educating our employees to be environmentally responsible.

  
CHARLES L. JOHNSON II  
Major General, USAF
